Your contribution is NOT tax-deductible for federal income tax purposes. Federal law requires us to report the name, address, employer, and occupation of contributors whose total accumulated contributions are in excess of \$200 in an election cycle.

The maximum an individual may contribute is \$2,400 per election (the primary and general are separate elections). Couples may contribute \$4,800, and federal PACs may contribute \$5,000. Contributions from corporations, labor unions, federal government contractors, national banks, and foreign nationals without permanent residency status are prohibited.
